

Spaces

Mit Hilfe von „Spaces“ kann man im Matrix Personen und Räume für einen besseren Überblick gruppieren.

Personen und Räume können in mehrere Spaces einsortiert werden. Spaces können auch Spaces enthalten.

Es gibt 3 Space-Arten:

1. öffentliche Spaces
2. private Spaces
3. persönliche Spaces

neue Spaces kann man mit Hilfe des **[+]** am unteren Ende der Space-Auflistung erstellen.

The screenshot shows the Element Matrix interface. On the left, a sidebar contains a search bar labeled 'Filtern' with a 'Ctrl K' shortcut. Below the search bar is a vertical list of icons: a home icon, a green circle with a white 'G', a purple circle with a white 'P', and a plus sign. The main content area is divided into two sections. The top section, titled 'Willkommen bei', shows a green square icon with a white 'G' and the text 'Willkommen bei' and 'GHTZ-Intern'. Below this, it says 'Privater Space · 1 Mitglied'. A search bar labeled 'Nach Name und Beschreibung filtern' is present. The bottom section, titled 'Räume und Spaces', lists several Spaces with their respective icons and names. The first Space is 'GHTZ-Intern' with a green icon and a plus sign. The second Space is 'GHTZ-Intern' with a purple icon and a plus sign. The third Space is 'GHTZ-Intern' with a green icon and a plus sign. The fourth Space is 'GHTZ-Intern' with a green icon and a plus sign. The fifth Space is 'GHTZ-Intern' with a green icon and a plus sign. The sixth Space is 'GHTZ-Intern' with a green icon and a plus sign. The seventh Space is 'GHTZ-Intern' with a green icon and a plus sign. The eighth Space is 'GHTZ-Intern' with a green icon and a plus sign. The ninth Space is 'GHTZ-Intern' with a green icon and a plus sign. The tenth Space is 'GHTZ-Intern' with a green icon and a plus sign.
