

6.06. Interne Umbuchungen kontrollieren

Den **Bericht *Alle Buchungen*** aufrufen; in der Ergebnisanzeige einen **Filter** auf die Spalte **Belegart** = „UB“ setzen (mögliche Belegarten s. [Anhang](#)):

The screenshot shows a filter configuration window titled "Werte für Filterkriterien festlegen". It contains a section labeled "Auswahl" with a dropdown menu currently set to "Belegart". To the right of the dropdown is a red square icon containing the letters "UB" and a document symbol, which is highlighted by a red rectangle. Further right is a "bis" label followed by an empty input box. On the far right is a blue square button with a right-pointing arrow.
