Start Page Applicants Students Employees Login

Choose your portal

Choose your portal, please.

**Applicants**  
You have selected a degree program and want to apply at TU Braunschweig.

**Students**  
You are already studying at TU Braunschweig and want to use TUconnect's student self-service features.

**Employees**  
You work at TU Braunschweig and have a corresponding role in the portal.

**Important notice:**

In the period from 23 December 2024 up to and including 5 January 2025, large areas of the Technische Universität Braunschweig will remain closed.

This also applies to the International House, the Student Office and all Examination Offices. For this reason, enquiries (e.g. regarding the application procedure) cannot be answered during this period.

Enquiries will be answered again from 06. January 2025.

**Welcome**

Welcome to TUconnect, the TU Braunschweig university portal.

If you are an **applicant**, please switch to the **Applicants** tab to register and apply for admission at TU Braunschweig.

If you are a **student**, you can log in with your y-number. Customize your personal start page for easy access to all of the relevant functions, information and documents for your studies.

As an **employee** from faculties, institutes, examination offices, the Enrollment Office and the International House, you can use different functions and complete tasks after logging in with your GIZ employee ID (depending on your role).

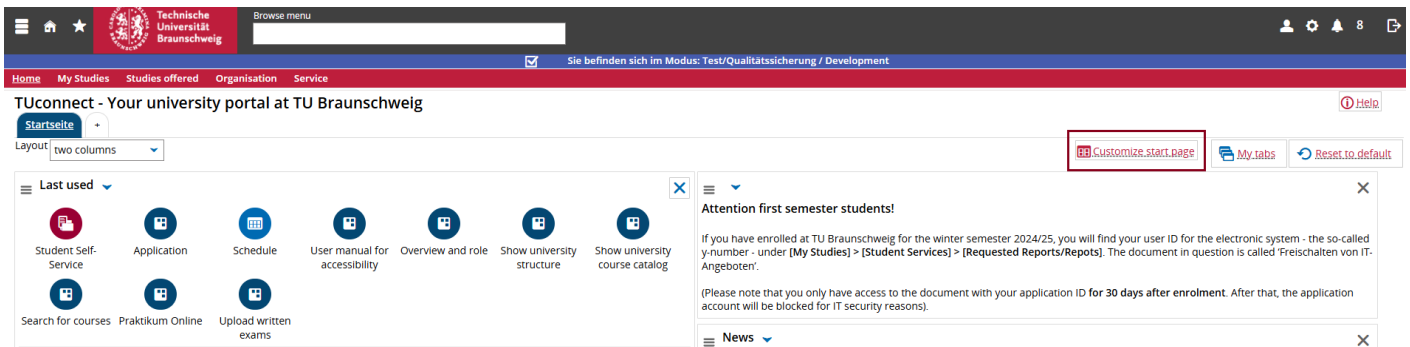

If you work for an external party, such as an insurance agency, you can **verify** the authenticity of enrollment certificates submitted to you [here](#). You will need to enter the verification key printed at the bottom of the certificate.

The **English translation** of TUconnect is currently under construction and may still be incomplete in some parts. In case of doubt the German version is the legally binding one.

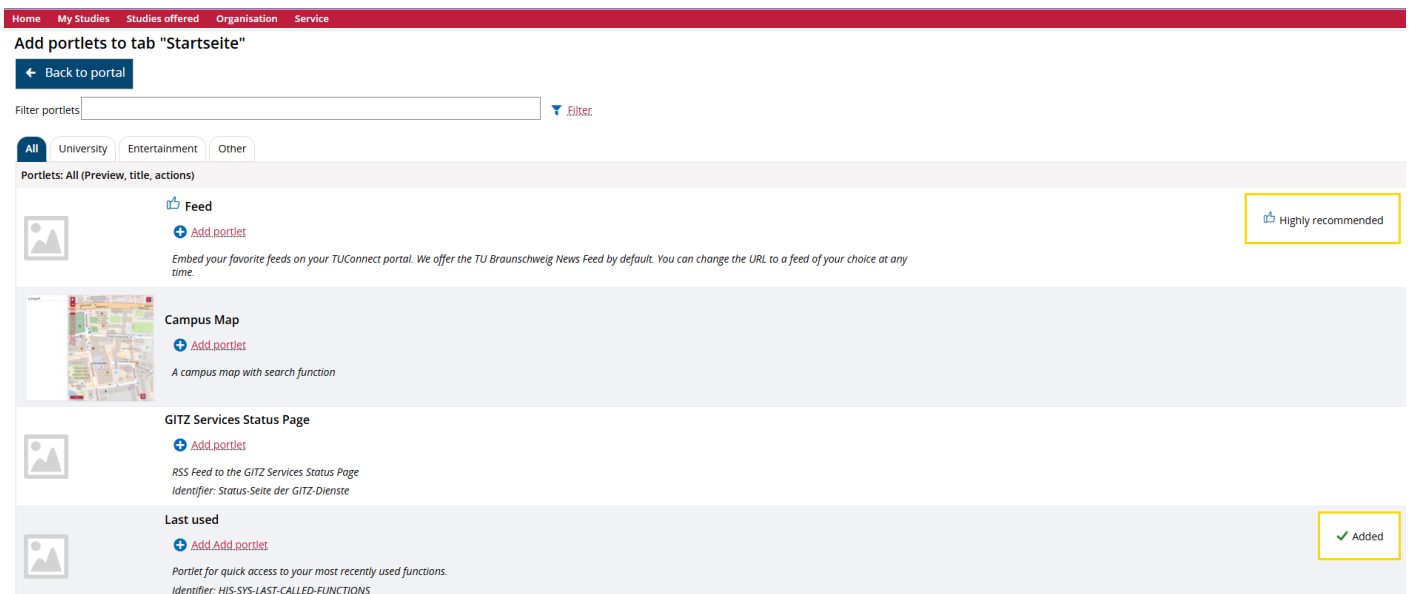

We are happy to receive any suggestions for improvement at [it.service.desk@tu-braunschweig.de](mailto:it.service.desk@tu-braunschweig.de).

### Personalize start page

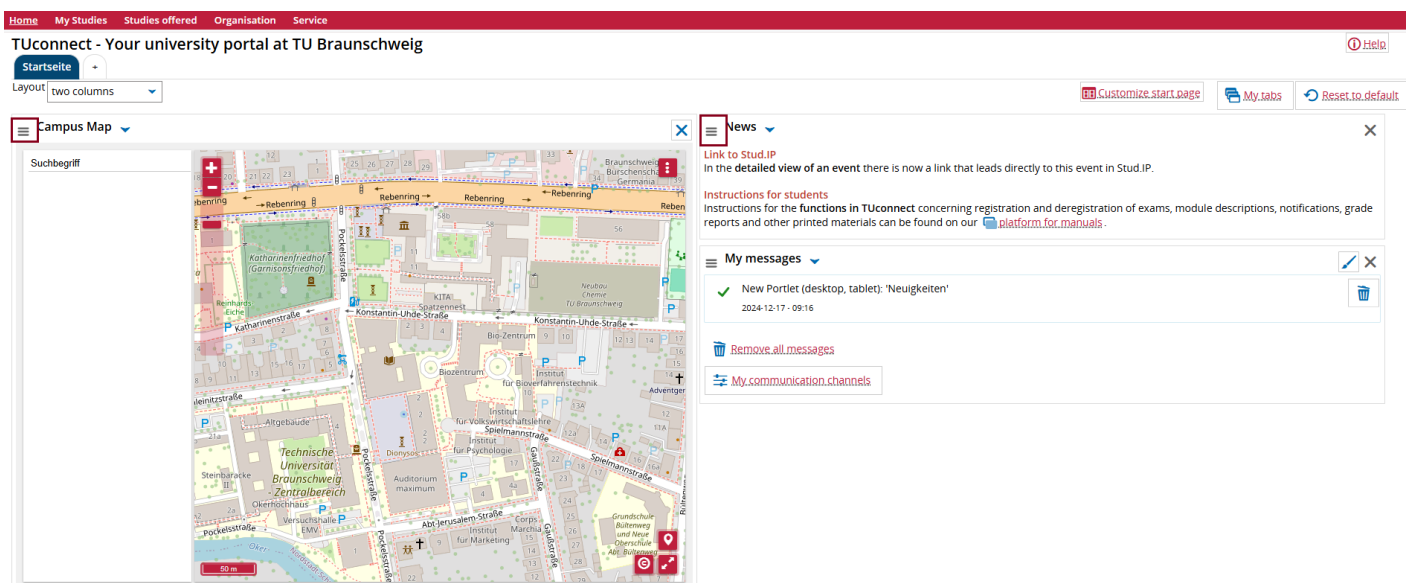

You can personalize the start page individually. Go to **[Personalize start page]**.

You can add your favorite portlet by clicking on **[Add portlet]**.

Additionally, you can customize the portlet arrangement, by drag and drop.

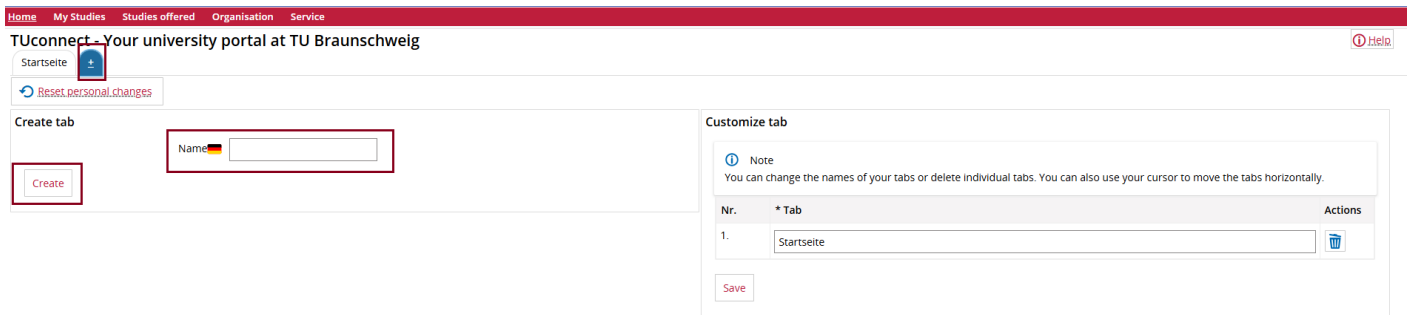

You can choose between different columns. To do this, go to **[Two Columns]** and select the layout you want.

In addition, you can create multiple tabs.

Choose **[+]**, give the new tab a title and click on **[Create]**.

## Registering an exam

Important information for your enrollment and cancellation. Please read carefully!

I am aware that

- I am obliged to check my registration(s) for correctness and completeness before the closing date for registration and to inform the Examinations Office immediately of any errors.
- I must adhere to the regulations governing the registration and deregistration for examinations set out in the Examination Regulations (general and special parts of the Examination Regulations) or the Study Regulations applicable to my degree programme.
- in the case of oral examinations, I shall make an appointment with the examiners at the beginning of the examination period in order to enable the examiners to find a date and time and that otherwise I must deregister from the examination in good time and that deregistration is mandatory for the oral examination even if no date for the examination has been set.
- I can only pass a portfolio examination to finish a module if I have submitted all parts of the portfolio for assessment. With the registration for the portfolio examination, I simultaneously register all parts of the portfolio for assessment.
