## Register to the System

First, you have to log in to the system at the following link <https://connect.tu-braunschweig.de/qisserver/pages/cs/sys/portal/hisinoneStartPage.faces> **[User ID]** is your y-number and **[Password]** your password.

The screenshot shows the TUconnect portal interface. At the top, there is a navigation bar with the TU Braunschweig logo and a search bar. Below the navigation bar, there is a header section with the text "TUconnect - Your university portal at TU Braunschweig" and a navigation menu with tabs for "Start Page", "Applicants", "Students", "Employees", and "Login". The main content area is divided into two columns. The left column is titled "Choose your portal" and contains three options: "Applicants" (with a description: "You have selected a degree program and want to apply at TU Braunschweig."), "Students" (with a description: "You are already studying at TU Braunschweig and want to use TUconnect's student self-service features."), and "Employees" (with a description: "You work at TU Braunschweig and have a corresponding role in the portal."). The right column contains an "Important notice" section, a "Welcome" section, and a "Welcome to TUconnect, the TU Braunschweig university portal." section. The "Important notice" section states: "In the period from 23 December 2024 up to and including 5 January 2025, large areas of the Technische Universität Braunschweig will remain closed. This also applies to the International House, the Student Office and all Examination Offices. For this reason, enquiries (e.g. regarding the application procedure) cannot be answered during this period. Enquiries will be answered again from 06. January 2025." The "Welcome" section contains the following text: "Welcome to TUconnect, the TU Braunschweig university portal. If you are an applicant, please switch to the Applicants tab to register and apply for admission at TU Braunschweig. If you are a student, you can log in with your y-number. Customize your personal start page for easy access to all of the relevant functions, information and documents for your studies. As an employee from faculties, institutes, examination offices, the Enrollment Office and the International House, you can use different functions and complete tasks after logging in with your GITZ employee ID (depending on your role). If you work for an external party, such as an insurance agency, you can verify the authenticity of enrollment certificates submitted to you here. You will need to enter the verification key printed at the bottom of the certificate. The English translation of TUconnect is currently under construction and may still be incomplete in some parts. In case of doubt the German version is the legally binding one. We are happy to receive any suggestions for improvement at it.service.desk@tu-braunschweig.de."

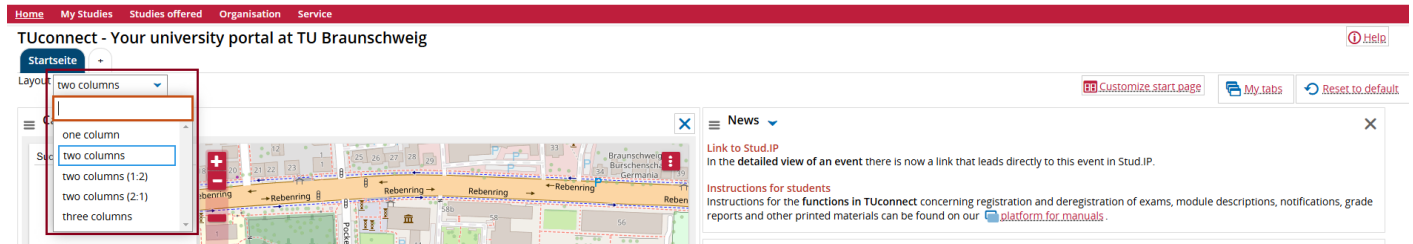

## Personalize start page

You can personalize the start page individually. Go to **[Personalize start page]**.

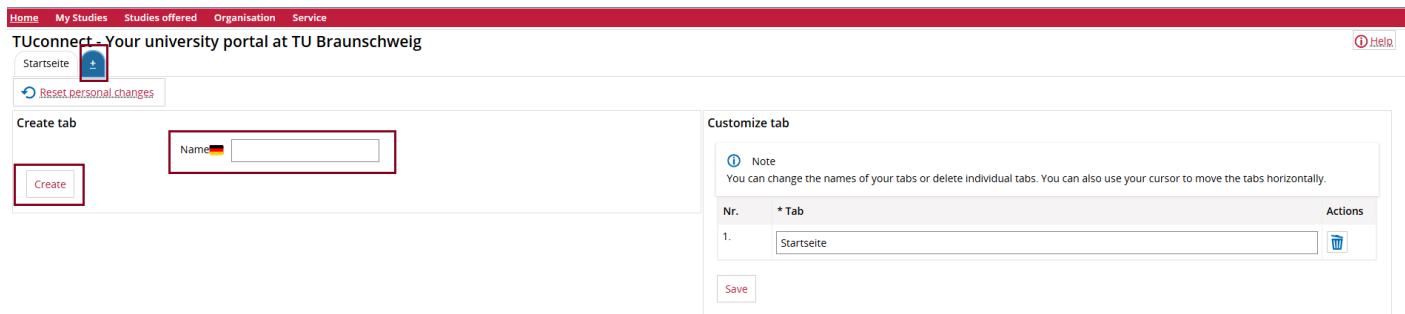

You can add your favorite portlet by clicking on **[Add portlet]**.

Additionally, you can customize the portlet arrangement, by drag and drop.

# Deregistering an exam

The exam deregistration works in the same way as the exam registration. Click on **[Sign off]**.

The screenshot shows the 'Planner of studies Chemistry (Bachelor)' interface. At the top, there is a navigation bar with 'Home', 'My Studies', 'Studies offered', 'Organisation', and 'Service'. Below this, the breadcrumb trail reads 'You are here: Start page > My Studies > Planner of studies'. The main title is 'Planner of studies Chemistry (Bachelor)'. There are filters for 'Events' (set to 'winter semester 2024') and 'Courses' (set to 'All'). A search bar is present with the text 'Search in course catalog'. Below the filters is a table with columns 'Structure of examination regulations All subject related semesters', 'Actions', and 'Status'. The table lists several courses, including '2000 | Bachelor Chemistry | 180.0 Credits', '3000 | Compulsory Disciplines | 162.0 Credits', and '1498990 ChemBSc-01 | Introductory Module | compulsory | 5.0 Credits'. Two courses, '1498991 | Exam General and Inorganic Chemistry | compulsory | 6.0 Credits (1 of 2)' and '1498993 | Exercise General and Inorganic Chemistry | compulsory | 1.0 Credits', have 'Sign off/Cancel' buttons highlighted with red boxes. An 'Apply' button is also visible at the bottom right of the table.

Click on **[Sign o?]** once again.

The screenshot shows the 'Planner of studies' interface for the course '1498993: Exercise General and Inorganic Chemistry'. The breadcrumb trail reads 'You are here: Start page > My Studies > Planner of studies'. The course title is '1498993: Exercise General and Inorganic Chemistry'. Below the title, it states 'Achievement will be used for General and Inorganic Chemistry (Nr=1498990 ChemBSc-02) - Compulsory Disciplines (Nr=3000) - Bachelor Chemistry (Nr=2000)'. A warning message in red text reads: 'HINWEIS: Ihre An-/Abmeldung ist noch nicht abgeschlossen. Klicken Sie auf den An-/Abmelden-Knopf des entsprechenden Prüfungstermins.' Below this is a table with columns 'Actions & messages', 'Dates & Rooms', and 'Comment'. The 'Actions & messages' column contains a 'Sign off' button highlighted with a red box, and a message: 'Disenrollment feasible from 10/1/24 12:00 AM until 2/1/25 11:59 PM'. The 'Dates & Rooms' column contains: 'Exercise General and Inorganic Chemistry', 'Exam period 1, winter semester 2024', 'No time defined', 'Examinationform: {0}', and 'Walter, Marc'. The 'Comment' column is empty. At the bottom left, there is a 'Cancel' button and a link to 'Review legal information'.

Again, you will receive a confirmation for the exam deregistration.
